- 2.40. The participants of the event must comply with all the regulations of the Cabinet of Ministers and epidemiological safety requirements in force at the venue and time of the Event.
- 2.41. Member States shall be solely personally responsible for their safety at/on the water, for compliance with the rules on shipping.
- 2.42. When shipping an internal combustion engine vessel, the Member State must wear safety vests.
- 2.43. If the weather deteriorates during the Cup, there is a thunderstorm, storm, hail, etc., fishing should be stopped, spinning or fly-picking should be placed horizontally in the boat and move closer to the shore to further instructions from the organizer.
- 2.44. The participant's boat security during the event will be provided for those boats that will be parked at the venue in Andrejosta, however, Member states must take care of their fishing equipment, its care and its unattended position in a timely and independent manner.
- 2.45. Organizers are not responsible for the boats, equipment and personal belongings of the event Participant.

3. PART 1 – EVENT

AQUATORY

Daugava, Lielupe, Bullupe, Kisezers, Jugla Lake, Lielais Baltezers, Mazais Baltezers, Vecdaugava, Dry Daugava, Sarkandaugava, Milgravis and other public waters that can be accessed from the starting point using a vessel.

DESCRIPTION

- 3.1. The event takes place according to a programme drawn up by the organisers.
- 3.2. The event is organized in such a way as to exclude gatherings as much as possible, with the participants spending most of the time of the Event in their boats;
- 3.3. The Member State shall enter its vessels into the water, where they shall be more comfortable and by water to the registration, detection, start, finish and closing;
- 3.4. During fishing, only two Participant equipment and their angling equipment, as well as an operator or a representative of the organisers, if necessary, may be present in the vessel;
- 3.5. On the day of the event, each Member must register separately for participation in the event;
- 3.6. Member States are granted an ID card, which must be carried with you throughout the Event;
- 3.7. The Participant shall be free to choose the place to fish, subject to the aquarium of the event and the restrictions imposed, as well as by assessing the condition of the boat technician, technical capabilities and fuel stocks, with a calculation to take account of the timetable of the P-sharpness programme.
- 3.8. Photos of Included Fish are taken and recorded by Mana Cope.

PROCEDURE OF THE EVENT S

1. DAY – 17 September

- **16:00-18:00** – REGISTRATION - The participant arrives at the place of the Start for registration with his vessel and one by one, without crowding, goes to the organizers for registration. Sign the minutes, receive the necessary details for the Cup and go back to your vessel and stick the start number received on it;
- **18:15** – OPENING CEREMONY — Participants watch the opening ceremony from their vessels;
- **18:30** – BOAT PARADE – Member States go on a boat parade in their vessels along the Riga City Canal -from Andrejosta Yacht Club to the Central Market. Participants are advised to display their command/crew flag or otherwise decorate their boat, thus making the parade more magnificent. At the end of the parade, the Participant goes to his sailing to the places of the shed.

2. DAY – 18 September

- **08:00 -08:45** – Crews arrive at the Venue just as they are immediately in or go to their vessels and are preparing to start. Boat inspection – Event organizers and assistants go to the crew and carry out boat inspection – check safety measures, fish storage tanks, as well as issue a unique sticker, without which the crew's result will not be counted;
- **08:45 – 08.55** – Member States go to the starting positions in the Daugava river near Andrejosta in their vessels;
- **9:00** – Fishing starts – judges begin to accept the results;
- **16:00** – End of fishing – judges no longer accept the results. Member States shall go to their places of shipping facilities;
- **18:00** – Announcement of intermediate results online – on My Cope and on the Event Facebook page.

Results online 9:00 – 15:00 on My Cope

3. DAY – 19 September

- **08:00 -08:45** – Crews arrive at the Venue one by one, are immediately in or go to their vessels and are preparing to start. Boat inspection – Event organizers and assistants go to the crew and perform boat inspection – check safety measures, fish storage tanks, as well as issue a unique sticker, without which the result of the crew will not be counted;
- **08:45 – 08.55** – Member States go to the starting positions in the Daugava river near Andrejosta in their vessels;
- **9:00** – Fishing starts – judges begin to accept the results;
- **16:00** – End of fishing – judges no longer accept the results. Participants go to the Venue, Andrejosta Yacht Club;
- **17:00** – announcement of results online – on My Cope and on the Event Facebook page;
- **17:00 - 17:15** - Submission of claims;
- **17:30 – 18:15** – awarding ceremony, closing ceremony of the event.

Results online 9:00 – 15:00 on My Cope

4. ROLE REGISTRATION

Catch role for registration:

- 4.1. Photos of the caught fish are taken by Membernieki from the site Mana **Cope** using a photo camera of a mobile device.
- 4.2. The participants register each fish caught separately using my profile section of **My Cope** by selecting the Add *role* button in the Competition Catches *subsection*.
- 4.3. The participants shall take two photographs showing the left side of the fish:
 - 4.3.1. **The first** photo - the fish is photographed on the measuring line assigned by the organizer, so that we can clearly see:
 - 4.3.1.1. the whole fish - the fish itself, the length of the fish and the figures on the measuring inetal.
 - 4.3.1.2. zivs are freely located on the measuring table, the muzzle of the fish must be fully supported against the cut-off stop, the tail must be straight and present at the measuring line, but its ends are uncompressed together;
 - 4.3.1.3. Next to the measuring distance - Membernieka, who caught the fish, ID card;
 - 4.3.2. **The second** photo - the fish was taken together with the winner of the role and clearly visible on his Membernieka ID card.
- 4.4. Photographs of the fish must be sent no later than 5 (five) minutes after the fish has been removed from the water.
- 4.5. Only two versions may be submitted for the photographs referred to in point 4.3, they may not be altered or others may be submitted. Accordingly, a maximum of 4 (four) photos may be added to the My Cope role.
- 4.6. The panel of judges shall have the right to request additional proof of authenticity of the role, the proof of which must be produced by the Member States in the video of the release of the fish. The video of the release of the fish must show the following actions – the fish is freely on the tape measure, the fish is lifted from the tape measure and gently let into the water, it can be seen that the fish is alive and drifts away.

5. EVALUATION OF RESULTS

Only live fish are accepted for assessment. Bloody, injured or dead fish are not accepted for evaluation.

Fish that do not meet the minimum size to be retained in the catch must be immediately accurately released and released.

The following are assessed:

- 5.1. Pikes from 50 cm, pike perch from 45 cm, perch from 25 cm registered on the website Mana Cope, photographed and photos submitted in accordance with this regulation.
- 5.2. Fish length according to the by-laws of the say judges after the sent role pictures.
- 5.3. The result of crew ding they are calculated by summing the points for each centimetre of length of the 3 largest predatory fish of each of the following species: pike, pike perch, perch. I.e. 3 pikes, 3 pike perch, 3 perch;
- 5.4. From the points obtained from the crew, penalty points, if any, shall be subtracted and the result of the crew's day shall be calculated;
- 5.5. Registration of the length of the fish in the report must be carried out as follows:
 - 5.5.1. The length of the fish is fixed only in full centimeters, rounding upwards. For example, pike 51.2 cm, is registered as 52 cm, perch, 26.7 cm, is registered as 27 cm.
 - 5.5.2. Fish that do not meet the minimum size shall not be recorded in the report and rounding-off shall not be valid. For example, pike 49.90 cm is not considered to be a pike 50 cm long.
- 5.6. Accordingly, places are divided between crews. The location number on a given day consists of test balls, more points a higher place and fewer points.
- 5.7. In the case of equal points, the crew to which 9 fish are counted, if none, who caught the longest fish, if the size of the longest fish coincides, the most woven place shall be taken by the crew who caught the test fish closer to the end of the time given for fishing, if time coincides, a higher place is obtained by the crew who first caught the test fish.
- 5.8. The sum of the crew balls of both days makes up the crew's overall score, the less ball, the higher the place.
- 5.9. In the case of the sum of equal points, a higher position shall be taken by the crew counted as 18 fish, if none, for which the sum of the points for both days is greater, if the sum of the points is the same, the crew who caught the longest fish, if the size of the longest fish coincides, the most woven place is taken by the crew who caught the test fish closer to the end of the time given for fishing on the second day of the Cup, if the time coincides, who first caught and registered the test fish on the first day of the Cup, if these criteria are not enough to be decided by a panel of judges with the calculation that a higher place is obtained by the crew who has shown better skills,
- 5.10. The result of the Ekipage shall not be counted if the crew has not arrived at the Event, has not been included in the Cup or has been disqualified, it receives as many balls as the crews +1 in the Event on the relevant day.
- 5.11. The Panel of Judges reserves the right to specify the fixed results on the basis of photographs of the fish sent by the Member State.

6. PENALTIES

All penalties, together with an explanation, will be published in Mana Cope.

Three types of penalties can be awarded for infringements: penalty points, yellow card, red card.

PENALTY POINTS:

- 6.1. For late registration – 25 penalty points are awarded, or -25cm from the first day of the Cup ;
- 6.2. For failure to show up for boat inspection – 50 penalty points are awarded, or -50cm from the respective day the catch and crew are not allowed to go fishing before the boat is inspected;
- 6.3. For delay of the start – 15 penalty points and 5 points for each minute of delay are awarded, or -15cm and -5cm of the respective Cup day role, respectively;
- 6.4. For the loss of the measuring line – 30 penalty points are awarded from the total result of the Cup;

YELLOW CARD:

Taking a yellow card for the crew in question cancels the two longest fish from the Cup result and reduces the time allowed for fishing by 30 minutes. Crew and gold card is awarded for the following violations during the Event:

- 6.5. (a) aggressive, dangerous driving, if this can be proved by one of the Participants, or is recorded by the organiser. (a) a threat to other Participants, to the riders themselves or to third parties;
- 6.6. The crew shall not wear life jackets when travelling in the course of the vessel, if it can be proved by any of the Participants, or it shall be recorded by the organiser;
- 6.7. if any of its Participants, during the Event, by their actions, creates any dangerous, health-threatening situation for other Participants of the Event or third parties;
- 6.8. if any of its Participants violates the provisions referred to in paragraph 2.13 of this Regulation and is disrespectful to the catch caught.
- 6.9. if any of its Participants intentionally pollute nature on land or water.
- 6.10. if any of its Members, the rules referred to in point 2.10 of the Statute and fails to comply with the requirements, instructions and decisions of the panel of judges.
- 6.11. if any of its Participants violates paragraphs 2.14 to 2.19 of this Regulation. For rough, inappropriate treatment of judges, organizers, other Participants and third parties.
- 6.12. if it violates paragraphs 2.20, 2.25 to 2.33 of this Regulation.

Two yellow cards automatically become a red card with a full disqualification from the Event.

SARCANA CARD:

The crew shall be given an arcana card if two yellow cards have been received and for the following offences:

- 6.13. it has received a penalty from the municipal police for speeding or other violation of the regulations referred to in Paragraph 2.9 of this Regulation on the water during the time allotted for angling cup.
- 6.14. if either or both of its Member States violates paragraphs 2.11, 2.12, 2.21 of this Regulation. Deliberate cheating is punished with life disqualification.

The red card gives the organiser the right to award crew members a multi-year or lifetime disqualification at events organised by the organisers .

7. DETERMINATION OF WINNERS

The highest place is taken by the crew with the smallest sum of the parties of both days.

AWARD CEREMONY

The organizer of the event awards the participants in the following categories:

Site:

- 7.1. place – Cup winner/winner "Predator Cup 2021" Winner - main prize, cup and medals
- 7.2. place – prizes and medals
- 7.3. place - prizes and medals
- 7.4. place - prizes and medals
- 7.5. place - prizes and medals
- 7.6. place - prizes and medals

Fish:

The largest pike;

The largest perch;

The largest zander;

The most unsportsmanlike fish (any other fish that does not go within the meaning of this regulation, but is noteworthy and clinging to an artificial decoy) . Such roles are sent into the Whatsapp group of the Event.

SURPRISE PRIZES

The most beautiful boat (the most beautiful, attractive boat, decorated with flags, or otherwise, participating in the parade);

Organizers can award various other surprise prizes at their discretion.

8. Protests

Protests are accepted in writing together with a confirmation of the deposit of 50.00 EUR (fifty euros and 00 cents) to the organizer's account, marked PCR21 Protest.

The protests are accepted within 15 minutes of the publication of the official Cup results. If the protest is granted, the security deposit is returned to the protestant, otherwise it is not returned.

9. advertisement

Advertising on Participant's clothing, shapes, hats, bags and cars is not prohibited.

It is prohibited to place or distribute materials containing reklamaat the venue of the event in coordination with the organiser of the event.

Placing of a transport or vessel containing advertising in the area where the opening and award ceremony of the Event takes place, without co-ordination with the organiser of the event, is prohibited.

During the event or at the request of the event organiser or a panel of judges, the Member must move its vehicle or vessel to a place specified for it.

10. SECURITY, DATA PROTECTION, FILMING AND PHOTO

By applying for the Event, the Participant confirms that the organizer may use the data transferred by him or her for his or her own purposes as far as the organisation, conduct and reports of this Event are concerned.

Annex 2 COVID-19 PROTOCOL

Event Participants:

P2.1. have been informed and undertake to comply with Regulation No. 360 of the Ministry Cabinet of Ministers of 9 June 2020, "Epidemiological safety measures for the control of the spread of COVID-19 infection" (hereinafter referred to as Cabinet Regulation No. 360), the Law on the Management of the Spread of COVID-19 Infection and the provisions of measures to limit the spread of COVID-19 infection;

P2.2. Upon registration for the Event on the day of the Event, a certification shall be completed (Annex No. 3)

P2.3. are responsible for compliance with the specified restrictions and precautionary measures;

P2.4. do not come together within the framework of sharpness, observe a distance of 2 m and try to stay with or in their vessels for the maximum period of time.

Rules and measures to limit the spread of infection During the event:

P2.5. The event is organized in semi-safe or yellow security mode, which means persons with an interoperable certificate of overuse or interoperable vaccination certificates, as well as persons with an interoperable testing certificate attesting that the person has performed a COVID-19 test in the last 48 hours for SARS-CoV-2 virus RNA, which is negative, or the SARS-CoV-2 antigen test carried out within the last six hours is negative.

P2.6. Control is ensured at the entrance of the Event in order to identify the compliance of the persons present with the requirements referred to in paragraph P2.5 of this Regulation.

P2.7. The venue of the event shall be delimited in order to ensure that third parties cannot enter and are not present in the territory of the event and persons who do not comply with the requirements referred to in Point P2.5;

P2.8. Sharpening organizers, judges and their assistants operating at the venue shall have an interoperable resuscitation certificate or interoperable vaccination certificates.

P2.9. Persons present at the event, upon request of a person appointed by the organizer or controlling authorities, shall present an interoperable certificate attesting to compliance with the requirements referred to in Paragraph P2.5 of this Regulation. Controlling authorities shall have the right to require the production of these certificates.

P2.10. The organizer of the event collects information about the Participants (given name, surname, contact phone number) which is stored for up to one month and, if necessary, transmitted to the Centre for Disease Prevention and Control upon its request;

Article P2 11. Indications with information regarding the observance of distance shall be placed in a visible place at the entrance of the venue of the Event in the min. 2m., hygiene, self-isolation, quarantine, as well as other information in accordance with the Cabinet Regulation No. 360;

Article P2 12 . At the venue, the organiser shall ensure the availability of appropriate hand sanitiser, as well as an indication with a reminder to perform hand hygiene and instructions for proper hand hygiene. Disinfectants are available to all those involved in the event;

Article P2 Article 13 The event is organised in such a way that no gatherings are formed and the Participant is present at or in its vessels for most of the duration of the Event, thus keeping the specified distance of 2m and not gathering.

Article P2 14 . The flow of Member States to Registration is controlled, i.e. registration Member goes one by one, which is controlled by the representative of the organizers.

Article P2 15 . During the inspection of vessels, the Member State shall be present in its sailing craft and shall wait for the representative of the organiser to come to them and carry out the inspection.

Article P2 16 . During the Cup Participants are located in their sailing means in the vast water bodies of Riga and Riga's neighbouring regions.

Article P2 17 . During the award ceremony, only those Participants who can present a COVID-19 certificate (persons who have been identified and/or COVID-19 sick) who are checked at the entrance are admitted to the stage territory. If the prize is awarded to a Member who does not have a COVID certificate, he/she is awarded individually.

P2.18. The territory of the stage is delimited so that unauthorised persons cannot enter it. The territory has one entrance and one exit, each on its own side of the territory.

Article P2.19. No more than 500 persons participate in the event

P2.20. The participant of the event shall be located in outdoor spaces through the duration of the event, except for a visit to the toilet, not exceeding the maximum number of persons allowed indoors;

Article P2 Article 20 Cup results are only published online on My Cope

P2.15. After the Event takes place, the Participant shall leave the venue immediately

This Protocol may be changed if Cabinet Regulation No. 360, the Law on The Management of the Spread of COVID-19 Infection and the Law on Overcoming the Consequences of the Spread of COVID-19 Infection or other laws and regulations applicable to the course of this Event change.
